

LEGEND

Border Pallas scope

Zoning plan nuclear activity

Zoning plan buildings

Cadastral boundary

Existing situation

Building permit situation

Nuclear Island

Logistic Building

Support Building

Secondary Cooling System

Nitrogen/Lander

Surge tower

Former location of demolished buildings

Existing buildings

New buildings

- GENERAL NOTES:
- All dimensions (measurements) in millimeters (mm) unless otherwise indicated.
  - All measurements and locations of existing structures, buildings, utilities and (underground) infrastructure to be checked on site.
  - Height dimensions relative to N.A.P. = Normaal Amsterdams Peil = Reference level.
  - Functional description and concept of the site; see PLS-7210-2BRDIC-004-A, paragraph 1.1
  - Basis of design site infrastructure; see PLS-3100-2BREIC-005-B.
  - For component size and dimensions of main structure and geotechnical advice; see relevant reports / construction drawings. Permissible floor load; see construction documents.
  - Site design, regulations and requirements; see PLS-7210-2BRDIC-004-A, paragraph 3.3.
  - Parking facilities, parking lots with electric charging and parking space for bicycles; see PLS-7210-2BRDIC-004-A, paragraph 3.5.
  - Emergency, escape route lighting and fire compartments; see fire safety drawings and PLS-7210-2BRDIC-004-A, paragraph 3.9.
  - Specifications on balustrades and handrailings; see PLS-7210-2BRDIC-004-A, paragraph 3.11.
  - Explanation & detail's accessibility sector; see PLS-7210-2BRDIC-004-A, paragraph 2.4 & chapter 5.
